Pre Dinner, Fizz & Wine

There's a benefit to being small...

All our wines are hand-selected from mostly smaller growers and renowned wine-makers, which is why you will not find many of them on the supermarket shelves. As such, the list is constantly changing as we seek to balance some classics with interesting varietals plus the odd curio. We put as much effort into sourcing our wines as we do our food so you can enjoy the perfect match. Please ask if you need any help or recommendations...

* Our wines by the glass are effectively re-sealed

using the 'Le Verre du Vin' wine preservation system.
